

**American Society of Safety Engineers**

*Protecting people, property, and the environment since 1911*

**SNAKE RIVER CHAPTER PRESENTS:**

# **Safety Trained Supervisor (STS/STSC) 12-hour Exam Preparation Course**

## **COURSE INCLUDES:**

- **Description of the STS process**
- **Introduction to OSHA, recordkeeping, and multi-employer worksites**
- **Principles of accident investigation**
- **Fall protection, stairways, ladders, excavations**
- **Hand/power tools; cranes, derricks, hoists**
- **Hazard communication**
- **Personal protective equipment; respirators**
- **Confined space**
- **Fire protection; electrical**
- **Intro to industrial hygiene; ergonomics**

**Why STS/STSC?** Companies with supervisors who have obtained a STS/STSC certification find it:

- Reduces incident and worker's compensation rates
- Increases competence in supervisory safety decisions
- Improves overall safety programs and OSHA compliance
- Develops professionalism and safety ownership

**Who should be STS/STSC certified?** This class is designed for personnel with a safety responsibility that is adjunct or collateral to their job duties, including managers at all levels, first line supervisors, superintendents, foremen, crew chiefs or craftsmen. It provides guidance and assistance in preparing for the Board of Certified Safety Professionals examination for general industry (STS) and construction (STSC), which is nationally accredited by the National Commission for Certifying Agencies.

Through the use of numerous case studies and instruction from Rick Callor, CSP, STS, you will learn the best known methods used by supervisors to obtain world class safety performance. Participants will receive a flash drive containing all the training materials and sample questions to use as a study guide.

**Time:** March 5, 7:30 am - 4:30 pm (lunch provided) and March 6, 7:30 am – 11:30

**Location:** Idaho Associated General Contractors; 1649 Shoreline Drive, Ste. 100; Boise

**Cost:** Early registration (payment received by 2-19): \$120 for ASSE members and students, \$145 for non-members. After February 19: \$145 for ASSE members and students, \$170 for non-members. *Employers with ≥3 registrants qualify for ASSE member pricing.*

**Save your spot!** Register and pay online at <http://snakeriver.asse.org> or fill out the registration form (on back of this flyer or online) and e-mail it to [snakeriverasse@gmail.com](mailto:snakeriverasse@gmail.com). You can pay online, mail a check, or pay at the door. A minimum of 10 registrants is required for class. If class is cancelled, all registration fees will be refunded.
